

New - Perspex[®] Naturals Bringing beauty to the surface

A new cast acrylic range from Perspex[®] inspired by the simple beauty of nature, designed for retail and interior design applications.

Introducing Perspex[®] Naturals

Simulating the earthy tones and velvety texture of natural stone, Perspex[®] Naturals offers a double-sided matt texture, meeting the desire for simple, natural looking materials that perform to high standards in demanding environments.

It is the perfect material to bring clean simple lines and a natural look to any application. From retail point of purchase to interior design, room partitions, furniture, artworks and architectural features, whether the aim is to create classic or contemporary design, Perspex[®] Naturals will work.

Benefits

- Textured surface finish with the aesthetic appeal of stone
- Available in a range of six standard colours
- Strong, durable and hard wearing
- Easy to shape and style
- Retains matt surface texture after thermoforming
- Light weight and easy to install
- Perspex[®] colour matching service available
- Perspex[®] 10 year guarantee
- 100% recyclable

Colour Range

Perspex[®] Naturals is available in a collection of six colours in 3050 x 2030 size sheets in 3mm and 5mm thickness as standard.

And, of course, if you require something different, either a new colour or different thickness, just ask for details of our Perspex[®] make-to-order service.
